EXPERIENCE

The Whole Child Therapy

May 2026-Present

Registered Behavior Technician

Spanish Fork, UT

- Deliver 1:1 Applied Behavioral Analysis therapy to children with Autism Spectrum Disorder in home and clinic settings, implementing treatment plans developed by a Board Certified Behavior Analyst
- Collect and document behavioral data to monitor client progress, communicate observations and concerns to supervising BCBAs, and contribute to ongoing treatment adjustments and goal achievement
- Collaborate with multidisciplinary teams, including BCBAs, Occupational Therapists, and SLPs, to support skill development, behavior reduction, and increased independence

Walden School of Liberal Arts

Oct 2025-May 2026

Classroom Teacher

Provo, UT

- Designed and delivered differentiated Montessori-inspired instruction for a mixed 3rd/4th grade classroom of 23 students, supported academic growth through individualized learning paths
- Implemented accommodations and specialized strategies for four students with IEPs, collaborated with SPED teams to ensure compliance and measurable progress
- Established a positive, structured learning environment by proactively managing diverse behaviors, using restorative practices and social-emotional learning approaches to strengthen classroom community

Missionary Training Center

Sep 2023-Sep 2024

Helping Others Training Actor

Provo, UT

- Led 15-20 role-play training sessions weekly, accelerating missionary proficiency in teaching abilities
- Provided structured feedback, contributing to a 25% improvement in trainees' assessment scores
- Trained 2000+ missionaries via videoconferencing, ensuring tech fluency for remote opportunities

Cambrian Homecare

Dec 2022-Aug 2023

Special Needs Caregiver

Long Beach, CA

- Delivered 30+ hours per week of personalized care to a teenager with Down syndrome, promoting daily autonomy and personal growth
- Developed structured behavioral routines that improved client engagement and mood consistency
- Liaised weekly with parents, therapists, and educators to ensure alignment with developmental objectives
